MITCHELL O'BRIEN

S O F T W A R E   E N G I N E E R

PROFILE INFO

I I'm a software engineering graduate with a passion for problem solving and working with others. I'm committed to continuous learning and exploring opportunities to use my skills developed as an educator, along with my natural aptitude for analytical and innovative thinking.

My background in education has developed my experience in liaising with diverse stakeholders to enhance learning opportunities and meet outcomes and deliverables. I pride myself on organisation, clear communication, teamwork and collaboration.
